I, PRINT YOUR FULL NAME HERE, appoint:

City, State, Zip:	FIRST AGENT'S CITY, STATE, ZIP CODE
Phone:	FIRST AGENT'S PHONE NUMBER

as my agent to make any and all health care decisions for me, except to the extent I state otherwise in this document. This medical power of attorney takes effect if I become unable to make my own health care decisions and this fact is certified in writing by my physician.

DESIGNATION OF ALTERNATE AGENT

If FIRST AGENT is unable or unwilling to make health care decisions for me, I designate the following person to serve as my agent to make health care decisions for me as authorized by this document:

Name:	SECOND AGENT'S FULL NAME
Street Address:	SECOND AGENT'S STREET ADDRESS
City, State, Zip:	SECOND AGENT'S CITY, STATE, ZIP CODE
Phone:	SECOND AGENT'S PHONE NUMBER

LIMITATIONS

LIMITATIONS ON THE DECISION-MAKING AUTHORITY OF MY AGENT ARE AS FOLLOWS:

I hereby require my agent to direct my physician to comply with any valid Directive to Physicians (or similar document) which I may have heretofore executed or which I may hereafter execute. My agent is not authorized to direct my physician in a manner which would contradict any such valid Directive to Physicians (or similar document).

HIPAA RELEASE AUTHORITY

I intend for my agent to be treated as I would be treated with respect to my rights regarding the use and disclosure of my individually identifiable health information and

other medical records. This release authority applies to any information governed by the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 42 USC 1320d and 45 CFR 160-164. This release authority is effective immediately.

Accordingly, I hereby authorize any doctor, physician, medical specialist, psychiatrist, chiropractor, health-care professional, dentist, optometrist, health plan, hospital, hospice, clinic, laboratory, pharmacy or pharmacy benefit manager, medical facility, pathologist, or other provider of medical or mental health care, as well as any insurance company and the Medical Information Bureau Inc. or other health-care clearinghouse that has paid for or is seeking payment from me for such services (referred to herein as a "covered entity"), to give, disclose and release to my agent who is named herein, without restriction, all of my individually identifiable health information and medical records regarding any past, present or future medical or mental health condition, including all information relating to the diagnosis and treatment of HIV/AIDS, sexually transmitted diseases, mental illness, and drug or alcohol abuse. Additionally, my agent shall have the ability to ask questions and discuss my protected medical information with the person or entity who has possession of the protected medical information even if I am fully competent to ask questions and discuss this matter at the time. It is my intention to give a full authorization to any protected medical information to my agent. Such information may also be released to any person designated as a primary or successor agent or attorney-in-fact in a durable power of attorney which I have executed, whether or not such person is presently serving as such, and to any person presently serving as trustee or named as a successor trustee in any revocable or irrevocable trust created by me as grantor.

In determining whether I am incapacitated, all individually identifiable health information and medical records shall be released to the person who is nominated as my agent hereunder, including any written opinion relating to my incapacity that the person nominated as my agent may have requested. This release authority applies to any information governed by HIPAA and applies even if that person has not yet begun serving as my agent.

This authority given to my agent shall supersede any prior agreement that I may have made with my health-care providers to restrict access to or disclosure of my individually identifiable health information. The individually identifiable health information and other medical records given, disclosed, or released to my agent may be subject to redisclosure by my agent and may no longer be protected by HIPAA. Each covered entity that acts in reliance on this release shall be released from liability which may result from disclosing my individually identifiable health information and other medical records. I authorize my agent to bring a legal action against a covered entity which refuses to accept and recognize this release authority. No covered entity may condition treatment, payment, enrollment or eligibility for benefits on whether I sign this authorization when the prohibition on conditioning of authorizations in 45 CFR 164.508(b)(4) applies. Further, in order to fulfill my intent as expressed herein, I authorize my agent to sign any documentation that my agent deems necessary or appropriate in order to secure the disclosure of my individually identifiable health information and other medical records.

Any information disclosed to my agent may subsequently be disclosed to another party by my agent. My agent shall not be required to indemnify a covered entity or perform any act in the event information is subsequently disclosed by my agent. The authority given to my agent herein has no expiration date and shall expire only in the event that I revoke this Medical Power of Attorney in writing and deliver it to my health-care provider. There are no exceptions to my right to revoke this Medical Power of Attorney.

DISCLOSURE STATEMENT

THIS MEDICAL POWER OF ATTORNEY IS AN IMPORTANT LEGAL DOCUMENT. BEFORE SIGNING THIS DOCUMENT, YOU SHOULD KNOW THESE IMPORTANT FACTS:

Except to the extent you state otherwise, this document gives the person you name as your agent the authority to make any and all health care decisions for you in accordance with your wishes, including your religious and moral beliefs, when you are unable to make the decisions for yourself. Because "health care" means any treatment, service, or procedure to maintain, diagnose, or treat your physical or mental condition, your agent has the power to make a broad range of health care decisions for you. Your agent may consent, refuse to consent, or withdraw consent to medical treatment and may make decisions about withdrawing or withholding life-sustaining treatment. Your agent may not consent to voluntary inpatient mental health services, convulsive treatment, psychosurgery, or abortion. A physician must comply with your agent's instructions or allow you to be transferred to another physician.

Your agent's authority is effective when your doctor certifies that you lack the competence to make health care decisions.

Your agent is obligated to follow your instructions when making decisions on your behalf. Unless you state otherwise, your agent has the same authority to make decisions about your health care as you would have if you were able to make health care decisions for yourself.

It is important that you discuss this document with your physician or other health care provider before you sign the document to ensure that you understand the nature and range of decisions that may be made on your behalf. If you do not have a physician, you should talk with someone else who is knowledgeable about these issues and can answer your questions. You do not need a lawyer's assistance to complete this document, but if there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.

The person you appoint as agent should be someone you know and trust. The person must be 18 years of age or older or a person under 18 years of age who has had the disabilities of minority removed. If you appoint your health or residential care provider (e.g., your physician or an employee of a home health agency, hospital, nursing facility, or residential care facility, other than a relative), that person has to choose between acting as your agent or as your health or residential care provider; the law does not allow a person to serve as both at the same time.

You should inform the person you appoint that you want the person to be your health care agent. You should discuss this document with your agent and your physician and give each a signed copy. You should indicate on the document itself the people and institutions that you intend to have signed copies. Your agent is not liable for health care decisions made in good faith on your behalf.

Once you have signed this document, you have the right to make health care decisions for yourself as long as you are able to make those decisions and treatment cannot be given to you or stopped over your objection. You have the right to revoke the authority granted to your agent by informing your agent or your health or residential care

provider orally or in writing or by your execution of a subsequent medical power of attorney. Unless you state otherwise in this document, your appointment of a spouse is revoked if your marriage is dissolved, annulled, or declared void.

This document may not be changed or modified. If you want to make changes in this document, you must execute a new medical power of attorney.

You may wish to designate an alternate agent in the event that your agent is unwilling, unable, or ineligible to act as your agent. If you designate an alternate agent, the alternate agent has the same authority as the agent to make health care decisions for you.

THIS POWER OF ATTORNEY IS NOT VALID UNLESS:

(1) YOU SIGN IT AND HAVE YOUR SIGNATURE ACKNOWLEDGED BEFORE A NOTARY PUBLIC; OR

(2) YOU SIGN IT IN THE PRESENCE OF TWO COMPETENT ADULT WITNESSES.

THE FOLLOWING PERSONS MAY NOT ACT AS ONE OF THE WITNESSES:

(7) a person who, at the time this medical power of attorney is executed, has a claim against any part of your estate after your death.
